RE: Section: Section 106 Cultural Resources Management/Chapter 6E-10 Historic Preservation Review  
Agency: Honolulu Authority for Rapid Transit (HART) / Federal Transportation Administration (FTA)  
Project Name: HART Historic Preservation Committee Fund Program  
Location: 1138 Maunakea Street, Honolulu, Oahu

Dear Stanley Solamillo:

On May 18, 2015, the State Historic Preservation Division (SHPD) received a submittal from HART for the removal and replacement of a historic awning, lighting fixtures, and gutters in-kind at 1138 Maunakea Street, Honolulu, Oahu (TMK (1) 1-7-003:048). Per Section 106 of the National Historic Preservation Act of 1966, as amended, SHPD has reviewed the undertaking and the State Historic Preservation Officer (SHPO) **concurs** with the determination of HART that the effects of the proposed undertaking do not meet the criteria of adverse effect. Therefore, the project will have **no adverse effect** on historic properties within the area of potential effects for the HART Historic Preservation Committee Fund Program project at 1138 Maunakea Street.

HART is the office of record for this undertaking. Please maintain a copy of this letter with your environmental review record for this undertaking. If you have any questions about this undertaking or if there is a change to the scope of work, please contact Jessica Puff, Architectural Historian, at (808) 692-8023 or by email at [jessica.l.puff@hawaii.gov](mailto:jessica.l.puff@hawaii.gov).
